Cosy Island

Designer	Francesco Rota
Year	2022-2024

The Cosy Island sofa, designed by Francesco Rota, is distinguished by its exceptional compositional freedom, making it an ideal choice for elegantly adapting to contemporary domestic spaces. Its variety of modules allows for customised configurations: from central islands suited to large open spaces to linear and corner arrangements for more compact rooms. The Cosy Island sofa can also be paired with Cosy Curve modules to introduce dynamism and flexibility to any layout. With a broad selection of fabrics and finishes, Cosy Island seamlessly integrates into any living space, transforming it into a cosy and refined setting.

Frame
Bearing frame made of solid and multilayer wood, base with elastic belts, feet and concealed hook system. Padding in variable-density foam polyurethane padding and polyester wadding cover.

Light armrest
Fully upholstered, removable cover.
Consisting of a plywood poplar wood panel, padded with single-density polyurethane foam, covered with polyester wadding.
Frame in epoxy powder-coated metal.

Cover
Fabric or leather, removable cover.

Coffee Tables
Top made of 15 mm thick medium-density wood fibreboard.
Frame in epoxy powder-coated metal.
