

S Table

Designer	Xavier Lust
Year	2007-2025

S Table is an iconic piece designed by Xavier Lust. The sculptural S-shaped twist of its base reflects the visible tension that defines the work of the multi-award-winning designer. Its dynamic curves, inspired by the process of deforming metal surfaces, serve as a distinctive signature of his creative process. The base is crafted from Cristalplant® – a technologically advanced, hypoallergenic and non-toxic material – and pairs with a variety of tabletops available in glass, lacquered finishes, marble, or Cristalplant®. The concrete versions, available either as monomaterial or with a transparent, extra-clear or smoked glass top, are also suitable for outdoor use – with the exception of the smoked glass top variant. The combination of materials and finishes makes S Table a unique and versatile piece, able to integrate seamlessly into both residential interiors and contract settings.

- Base**
Round or oval tables with an S-shaped twisted base, moulded in:
- White Cristalplant®, a composite material made up of natural minerals and polyester and acrylic polymers in matt white;
 - White or anthracite UHPFRC cement (ultra high performance, fibre reinforced cement), with high technical / structural characteristics.

- Tops for cement base**
- Clear or extra clear tempered glass, 15 mm thickness;
 - Smoked grey tempered glass, 12 mm thickness;
 - White cement (only for base in white cement);
 - Anthracite cement (only for base in anthracite cement).

- Tops for base in white Cristalplant®**
- Clear or extra clear tempered glass, 15 mm thickness;
 - Matt lacquered white medium-density wood panel, 30 mm thickness;
 - Matt white Cristalplant®, a composite material made up of natural minerals, acrylic material and polymer polyesters;
 - Marble top with matt or glossy polyester protection, 20 mm thickness, plus 16 mm supporting sub-top.

- Heights**
Cristalplant base:
- H71 cm with glass top;
 - H73 cm with lacquered and resin top;
 - H74 cm with marble top.

Cement base:

 - H73 cm with glass top;
 - H74 cm with cement top.
